Dear Mr. Poulson:

Re: 1986 Annual Report, Topaz Mining Property, ACT/023/003, Juab County, Utah

At this time of year we traditionally send out annual report forms to the mining operations which have an approved mine and reclamation plan. Since your plans have not received final approval, it will not be necessary for you to complete the form this year. We have enclosed a copy of the form so that you will be aware of the types of information that we request you keep a record of. If the information requested on page 3, section (e) is not confidential, we would appreciate receiving the figures for 1986 so that we can include them in our 1986 summary of mining in the state.

Should you have any questions or need additional information regarding the annual reports, please contact me or Frank Filas of my staff.

Sincerely,

L. P. Braxton
